## Balkan-Mediterranean Programme Launching Event - Info Day on 1<sup>st</sup> Call for Project Proposals

Skopje, 03/02/2016

## Tool for Partner Search

# BalkanMed webpage

You may submit  
your Project Idea  
or search ideas  
submitted by  
others.

Searchable by  
Priority Axis and  
Specific Objective

**BalkanMed: Partner Search**

**Projects seeking partners, partners seeking projects**

Looking for associates to discuss starting a new project? Perhaps you already have a clear project idea but still need partners? Or you want to join an existing partnership? This is a good place to search for and establish contact with people who are interested in participating in a "BalkanMed" project.

Applicants are invited to fill in the form [here](#) and send it with an email entitled "BalkanMed: Partner search" to [ntatani@mou.gr](mailto:ntatani@mou.gr) and [tchatzikonstantinou@mou.gr](mailto:tchatzikonstantinou@mou.gr).

You may access the full list of project ideas and contact details [here](#).

**A word of caution**

Please note that the displayed project ideas here have not been screened nor approved in any way by the Managing Authority. The database is for information and contact purposes, to allow you to develop your project or contact potential partners before submitting it.

**Note:** All information must be provided in English. Information provided in other languages will not be considered. All fields must be filled in.

**Events calendar**

NUTS Project Partners: Greece

EUSBSR: included

## Search results

[Heat map](#)

[All partners map](#)

[Project table \(lead partners\)](#)

[All partners table](#)

The 'Projects table (lead partners)' shows the list of lead partners (in most cases there is only one lead partner per project, hence this table roughly shows the list of projects). There is also the 'All partners table'. Click on any entry (any project) of these tables to get to the details of the project. Or click "Export to excel" below the table in order to get all the details of all projects meeting your search criteria (if exporting the All partners table also all details on all partners will be exported).

**Project - Improving governance, management and sustainability of rural and coastal protected areas and contributing to the implementation of the Natura 2000 provisions in IT and GR**

Programme: 2007 - 2013 Greece - Italy (EL-IT)

Theme: ENVIRONMENT and CLIMATE CHANGE

Keywords: Climate change and biodiversity Tourism Governance, partnership

### Description:

- BIG general objective is to improve governance, management and sustainable valorization of coastal and rural protected areas and contributing to the implementation of the Natura 2000 provisions in Greece and Italy. The sub-objectives are:
- Strengthening and improving cooperation among regional administrations to further monitor Natura 2000 species and habitats and to set environmental measures for the next programming period (networking, setting common standards, creating databases and setting measures based on the updated biodiversity status).
- Setting cross-border strategies and supporting decision-makers for management and valorization of protected areas and Natura 2000 sites.
- Developing actions for the management and valorization of pilot rural and coastal ecosystems that consists of on-the-ground interventions in the parks of both countries and/or Natura 2000 sites.
- Promoting sustainable tourism in protected areas via networking, implementation of concrete actions and transfer of best practices.
